**Date:** 04/21/24

**The Trailhead:**

Share about a time you wished that you knew God's Will for a situation in your life. What did you do to discover His Will?

**Discussion:**

**v.15-20**

How did Judas misunderstand the call of Jesus? Was the inclusion of Judas among the twelve a mistake? How did God use the betrayal of Judas for good in the lives of the other Disciples?

**v.21-22**

Why are the criteria for the new disciple so important to the early church? How has that criteria allowed us to have confidence in the validity of the Gospel message and the inerrancy of Scripture?

**v.23-24**

Is casting lots a good way to discern the Will of God? How does God want us to understand His Will for our lives? How does God's sovereignty play in to that discussion?
